

JASSICO® 3 Piece Plier Set

4-84-488

Features:

- Hand ground, induction hardened blade for longer life and accuracy
- Heat treated high chrome steel forging
- Bi-material handle for added comfort and reduction in end user fatigue during long periods of use

Description:

The JASSICO® 3 Piece Plier Set has been hand grounded, with induction hardened blades for a longer life and improved accuracy. The set has been heat treated from high chrome steel forging for added durability. The interlocking joint assembly offers smoother cutting. The bi-material handle provides a secure comfortable grip and is resistant to most common chemicals. Set contains: 150mm long nose pliers, 150mm diagonal cutting pliers and 200mm combination pliers.
